Let us know here and check out what others have to say!

Established on November 2, 1983, Martin Luther King Day is federal holiday observed on the third Monday of January each year, honoring the legacy of civil rights leader Reverend Dr. Martin Luther King, Jr. This is recognized as a national day of service and encourages all Americas to volunteer, unite and improve their communities.

The **Duluth NAACP** is hosting a series of events to honor the legacy of MLK, including a community worship service, breakfast, gathering and march, and a rally at the DECC. Lake Superior College is a proud sponsor of these events and encourages our employees and students to attend any or all of these activities! [A full list of activities can be found here.](#)
