---

### ***Program Description***

The dental hygiene program provides academic and clinical educational opportunities for capable

*Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program.*

*You may be required to complete additional (or less) coursework, dependent upon the results of your Computerized Placement Test (CPT) and/or previous coursework completed or certifications awarded.*

*General Education courses that are required may be taken prior to entering the program, as long as the specific prerequisites for that course have been met. Please check with your advisor. All courses in the program need to be completed with a grade of "C" or better to progress into the next semester*

---

### **Pre-program Requirements**

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading.
