

Fire Science and Administration AS Degree - 60 credits

Program Area: Fire Technology (Fall 2020)

*****REMEMBER TO REGISTER EARLY*****

Description

Associate of Fire Science and Administration degree is designed to build a base of knowledge for the Fire Service. This program is intended for the Fire Service member seeking promotion and/or one who wishes to transfer into a related four-year degree program. This degree is based on the Fire and Emergency Services International (FESHE) model created by the National Fire Academy (NFA). To complete this degree, all courses are offered on-line.
